

California History-Social Science Framework Rollout Events

Offered in partnership with the California Department of Education, the California History-Social Science Project (CHSSP) and the California County Superintendents Educational Services Association (CCSESA), these one-day conferences provide a full-day examination of the:

- instructional shifts in the new *CA History-Social Science Framework*
- updated and expanded content of the grade-level and supporting chapters
- alignment of history-social science instruction with the CA English Language Arts and English Language Development standards.
